Best/Worst Picks

Best Scenery – Oregon Coast and Washington Cascades (Except for the blight of windmills near Cle Elum. (Yes, the Grand Canyon is beautiful but it still just a big hole in the ground.)

Scariest Moment – Two lane highways in TX have a limit of 75. And when two wobbly little girls on bikes turn on to the shoulder in front of you there is about 1 second to pray “Please little girl, get control of that bike.”

Friendliest People – Hamilton, MO. I got outstanding service in the Ninja Moose Brewpub! Of course, I was the only one there at opening time.

Cleanest Restrooms – North Dakota

Grubbiest Restrooms – Southern CA (Chop it off and give it to Mexico)

Hottest Weather – Texas

Coollest Weather – Wisconsin

Best Roads (Repair) – Texas

Worst Roads (Repair) – Wisconsin

Best Quilt Shop – Hamilton, MO

Least Loved Quilt Shop (there are no bad quilt shops) – Fortuna, CA

Largest Temperature Change – 104 to 60 over about 20 miles in MT

Worst Drivers and Most Congestion – Western WA
